## Our Company

---

**SMSGATEWAYHUB™** was launched in Oct., 2009 was previously the unit of “SUN Mobile Marketing” group. From November 2013 **SMSGATEWAYHUB™** is now a part of SMSGATEWAYHUB™ Technologies Pvt Ltd., (Company dealing into Digital media solutions) The Company has spread its wings in online services to facilitate the companies, firms or individuals in India spread their word by selecting the right medium of communication.

We know the fact that in current business environment time is money; an individual has 24 Hours in a day which can be spread across various activities and mainly earning/saving money & spending money. It is said that Time is money.

In old era people/businesses had limited mediums of communication like letter or Person spreading the word and in mass through Newspapers. Nowadays there are lots of paperless (**Telecom/Internet etc.**) and on-paper (Newspaper/Magazines etc.) mediums of communication. Moreover considering India, majority of the population has been revolutionized
